**Re: Essential Businesses and Coronavirus**

On March 23, 2020, Michigan Governor Whitmer issued a “Stay Home, Stay Safe” directive for all Michigan residents and ordered that all non-essential businesses cease operations. As an Essential Business, Credit Union Trust will remain open.

Credit Union Trust continues to take precautions to keep our team members safe and healthy and will comply with the state regulations. The offices will stay open with a reduced staff, and appointments can be made and questions handled via phone or email. We are also handling client needs remotely, with phone calls, video calls, and electronic documents, as needed.

Should you have any questions regarding your account or our preparedness, please do not hesitate to contact us directly at 877.730.6109 or [info@credituniontrust.com](mailto:info@credituniontrust.com).

Sincerely,

A handwritten signature in blue ink that reads 'Robert A. Sajdak'.
